The legend of Doc Holliday is now well past a century old. While his time on earth was brief, troubled and filled with pain, his legend took wings and flew. Beginning with his part in the now famous gunfight at the O.K. Corral, Denver newspapers first told his story in the late 19th century. They, followed by words of Wyatt Earp, grasped the glimmer of his tale. So enamored was the public that by 1939 he was a literary icon and his character had appeared in eight films. Historians, authors, screenwriters and eventually television refined the legend, which reached its apex perhaps with the 1993 film Tombstone. Doc Holliday's image has neither dimmed nor wavered in the 21st century. Broadway, country music and art join with literature and film to continue his mystique as the personification of a surviving legend of the U.S. West. Every 3rd issue is a quarterly cumulation. Stories of magic, superstition, and witchcraft were strictly forbidden in the little town of Salem Village. But a group of young girls ignored those rules, spellbound by the tales told by a woman named Tituba. When questioned about their activities, the terrified girls set off a whirlwind of controversy as they accused townspeople after townspeople of being witches. Author Shirley Jackson examines in careful detail this horrifying true story of accusations, trials, and executions that shook a community to its foundations. "Originally published in Great Britain in 1991 by Hamish Hamilton Ltd."--Title page verso. The best-known of Shirley Jackson's novels and a major inspiration for writers like Neil Gaiman and Stephen King as well as the hit Netflix series, *The Haunting of Hill House* is a chilling story of the power of fear 'Shirley Jackson's stories are among the most terrifying ever written' Donna Tartt Alone in the world, Eleanor is delighted to take up Dr Montague's invitation to spend a summer in the mysterious Hill House. Joining them are Theodora, an artistic 'sensitive', and Luke, heir to the house. But what begins as a light-hearted experiment is swiftly proven to be a trip into their darkest nightmares, and an investigation that one of their number may not survive. Twice filmed as *The Haunting*, and the inspiration for a 10-part Netflix series, *The Haunting of Hill House* is a powerful work of slow-burning psychological horror. 'An amazing writer ... If you haven't read her you have missed out on something marvellous' Neil Gaiman 'As nearly perfect a haunted-house tale as I have ever read' Stephen King 'The world of Shirley Jackson is eerie and unforgettable' A. M. Homes 'Shirley Jackson is one of those highly idiosyncratic, inimitable writers...whose work exerts an enduring spell' Joyce Carol Oates To many, the task of writing about one's life seems daunting and difficult. Where does one begin? What stories will inspire your children and grandchildren, and which will simply amuse them? *Writing Your Life: A Guide to Writing Autobiographies* breaks down the barriers of personal narrative with an easy-to-follow guide that includes thought-provoking questions, encouraging suggestions, memory-jogging activities, tips for writing, advice on publishing one's stories in print and online, and examples of ordinary people's writing. *Writing Your Life* has already helped thousands write their life stories, and this fourth edition is sure to help today's writers preserve their memories and wisdom for many generations to come. 'In this thrilling debut collection Alexia Arthurs is all too easy to love.' - Zadie Smith Tenderness and cruelty, loyalty and betrayal, ambition and regret – these are the tensions at the heart of Alexia Arthurs' debut book about Jamaican immigrants and their families back home. Some stories ask big questions about the things that define a person, others explode small moments of deep significance and lasting effect. Sweeping from close-knit island communities to the streets of New York City, *How to Love a Jamaican* offers a portrait of a nation, a people, and a way of life. Vibrant, lyrical and intimate, this collection of eleven short stories shows Alexia Arthurs to be one of the most dynamic and exciting young authors writing today. It includes the story 'Bad Behavior', for which she won the Paris Review's Plimpton Prize. A terrifying short story from Shirley Jackson, the master of the macabre tale. Shirley Jackson's chilling tales of creeping unease and random cruelty have the power to unsettle and terrify unlike any other. When her story *The Lottery* was first published in *The New Yorker* in 1948, readers were so horrified they sent her hate mail. It became known as one of the greatest short stories ever written. Have you read her yet? 'Shirley Jackson's stories are among the most terrifying ever written' Donna Tartt 'An amazing writer ... if you haven't read any of her short stories ... you have missed out on something marvellous' Neil Gaiman 'Her stories are stunning, timeless - as relevant and terrifying now as when they were first published ... 'The Lottery' is so much an icon in the history of the American short story that one

could argue it has moved from the canon of American twentieth-century fiction directly into the American psyche, our collective unconscious' A. M. Homes Shirley Jackson was born in California in 1916. When her short story *The Lottery* was first published in *The New Yorker* in 1948, readers were so horrified they sent her hate mail; it has since become one of the greatest American stories of all time. Her first novel, *The Road Through the Wall*, was published in the same year and was followed by five more: *Hangsaman*, *The Bird's Nest*, *The Sundial*, *The Haunting of Hill House* and *We Have Always Lived in the Castle*, widely seen as her masterpiece. Shirley Jackson died in her sleep at the age of 48. A darkly funny account of family life from the author of *The Haunting of Hill House* and *The Lottery* 'Sometimes, in my capacity as a mother, I find myself sitting open-mouthed and terrified before my own children' As well as being a master of the macabre, Shirley Jackson was also a pitch-perfect chronicler of everyday family life. In *Life Among the Savages*, her caustically funny account of raising her children in a ramshackle house in Vermont, she deals with rats in the cellar, misbehaving imaginary friends, an oblivious husband and ever-encroaching domestic chaos, all described with wit, warmth and plenty of bite. 'Jackson's family chronicles have a genuinely subversive aspect ... Read today, her pieces feel surprisingly modern - mainly because she refuses to sentimentalize or idealize motherhood' *The New York Times Book Review* 'Comic masterpieces, laced with hints of the discontent that lies beneath' *Guardian* Evidence-based practice is an idea whose time has come. Few concepts can have achieved the status of unchallengeable common sense in such a short space of time, and across such a broad range of professional activity. As yet there have been few opportunities to take stock and reflect on the evidence for evidence-based practice, or the implications of its adoption. How effective or feasible is it in medicine? Is it really different? What are the consequences of not basing practice on research? Can evidence-based practice be used in non-clinical settings, where practitioners must deal with the complexity of multi-problem individuals, families and organizations? This text introduces the key concept of Evidence-Based Practice and accounts for its emergence and rapid expansion within and beyond medicine. It then goes on to describe how evidence-based practice is being translated in key areas (medicine, nursing, mental health education and social welfare) while critically appraising the strengths and weaknesses of evidence-based practice as it applies in a range of fields of professional practice. Originally published in 1987, *An Old-Spelling Critical Edition of James Shirley's The Example*, offers a critical examination of James Shirley's 1634 play, *The Example*, based on collating ten of the twenty-one copies of the play noted in Sir Walter Greg's *Bibliography*. Shirley Jackson's chilling second novel, based on her own experiences and an actual mysterious disappearance Seventeen-year-old Natalie Waite longs to escape home for college. Her father is a domineering and egotistical writer who keeps a tight rein on Natalie and her long-suffering mother. When Natalie finally does get away, however, college life doesn't bring the happiness she expected. Little by little, Natalie is no longer certain of anything—even where reality ends and her dark imaginings begin. Chilling and suspenseful, *Hangsaman* is loosely based on the real-life disappearance of a Bennington College sophomore in 1946. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. An original novel set in the universe of the award-winning video game! *The Borderlands cannot be conquered!* Mordecai and Daphne have gotten themselves in a tough spot near the highly dangerous town of Gunsight, one of the most remote outposts on the planet Pandora, out in the boonies of the boonies of the Borderlands. Daphne has been taken prisoner by Jasper, a local warlord who controls the area around Gunsight . . . except for that other settlement, the former mining town Tumessa. There's some kind of big secret operation going on in Tumessa—another warlord, a particularly mutated Psycho named Reamus, is somehow making money. And he's been relentlessly raiding Gunsight and kidnapping Jasper's people. Jasper may be scum, but he needs those people for raids on other towns, so it all has to balance out. Mordecai needs to negotiate for Daphne's release, but now the only way he'll ever see her alive again is to kill his way into Tumessa, find out what's going on there, and report back to Jasper—only then will Mordecai get a paycheck and the girl. Mordecai doesn't want the job, but he is pretty devoted to Daphne . . . and somehow, he just might be able to turn this entire mess to his advantage. . . In *The Sundial* Shirley Jackson, author of *We Have Always Lived in the Castle*, blends family politics and apocalyptic terror to create a disturbing world of sinister relations and the macabre. 'An amazing writer' Neil Gaiman Mrs Halloran has inherited the great Halloran house on the death of her son, much to the disgust of her daughter-in-law, the delight of her wicked granddaughter and the confusion of the rest of the household. But when the original owner - long dead - arrives to announce the world is ending and only the house and its occupants will be saved, they find themselves in a nightmare of strange marble statues, mysterious house guests and the beautiful, unsettling Halloran sundial which seems to be at the centre of it all. Shirley Jackson's chilling tales have the power to unsettle and terrify unlike any other. She was born in California in 1916. When her short story *The Lottery* was first published in *The New Yorker* in 1948, readers were so horrified they sent her hate mail; it has since become one of the greatest American stories of all time. Her first novel, *The Road Through the Wall*, was published in the same year and was followed by five more: *Hangsaman*, *The Bird's Nest*, *The Sundial*, *The Haunting of Hill House* and *We Have Always Lived in the Castle*, widely seen as her masterpiece. Shirley Jackson died in her sleep at the age of 48. 'The world of Shirley Jackson is eerie and unforgettable ... It is a place where things are not what they seem; even on a morning that is sunny and clear there is always the threat of darkness looming, of things taking a turn for the worse' A. M. Homes 'Shirley Jackson is unparalleled as a leader in the field of beautifully written, quiet, cumulative shudders' Dorothy Parker 'Shirley Jackson's stories are among the most terrifying ever written' Donna Tartt Originally published in 1994, this work offers a critical commentary on James Shirley's 1634 play, *The Opportunity*, including chapters on the critical reception, *The Opportunity as a Social Comedy* and the history of the editions, including the 1640 quarto. Nearly 450 primary documents relating to both the Five Years' French and Indian War (1744-1749), aka Governor Shirley's War, and the more important Seven Years' French and Indian War (1755-1763). L2340HB - \$86.50 From "The Lottery" to *The Haunting of Hill House*, Shirley Jackson's oeuvre has created an influential apocalyptic vision of America. This collection of essays offers new insights into her work, in light of themes of space, motherhood and race, as well as filmic adaptations of her work. One of the most terrifying stories of the twentieth century, Shirley Jackson's "The Lottery" created a sensation when it was first published in *The New Yorker* in 1948. "Power and haunting," and "nights of unrest" were typical reader responses. Today it is considered a classic work of short fiction, a story remarkable for its combination of subtle suspense and pitch-perfect descriptions of both the chilling and the mundane. *The Lottery and Other Stories*, the only collection of stories to appear during Shirley Jackson's lifetime, unites "The Lottery" with twenty-four equally unusual short stories. Together they demonstrate

Jackson's remarkable range—from the hilarious to the horrible, the unsettling to the ominous—and her power as a storyteller. Shirley Jackson and *Domesticity* takes on American horror writer Shirley Jackson's domestic narratives – those fictionalized in her novels and short stories as well as the ones captured in her memoirs – to explore the extraordinary and often supernatural ways domestic practices and the ecology of the home influence Jackson's storytelling. Examining various areas of homemaking – child-rearing and reproduction, housekeeping, architecture and spatiality, the housewife mythos – through the theoretical frameworks of gothic, queer, gender, supernatural, humor, and architectural studies, this collection contextualizes Jackson's archive in a Cold War framework and assesses the impact of the work of a writer seeking to question the status quo of her time and culture. A haunting and psychologically driven collection from Shirley Jackson that includes her best-known story "The Lottery" At last, Shirley Jackson's "The Lottery" enters Penguin Classics, sixty-five years after it shocked America audiences and elicited the most responses of any piece in New Yorker history. In her gothic visions of small-town America, Jackson, the author of such masterworks as *The Haunting of Hill House* and *We Have Always Lived in the Castle*, turns an ordinary world into a supernatural nightmare. This eclectic collection goes beyond her horror writing, revealing the full spectrum of her literary genius. In addition to *Come Along with Me*, Jackson's unfinished novel about the quirky inner life of a lonely widow, it features sixteen short stories and three lectures she delivered during her last years. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. The creeping unease of lives squandered and the bloody glee of lives lost are chillingly captured in these tales of wasted potential and casual cruelty by a master of the short story. Shirley Jackson [RL 6 IL 7-10] A boy's kindergarten career surprises his parents. Themes: change; perception versus reality. 24 pages. Tale Blazers. A seemingly ordinary village participates in a yearly lottery to determine a sacrificial victim.
