Their gorgeous faces stare out at us from the glossy pages of magazines or appear larger-than-life on movie screens. With role models such as these, it's easy to find yourself wanting. During his 25-year career as a plastic surgeon, Dr. Robert M. Tornambe has worked with thousands of women and spent countless hours contemplating the nature of beauty - particularly in situations where he was asked to perform a procedure he believed would diminish his patient's natural good looks. In an attempt to provide as many options as possible, he focused on helping women understand that while surgery has its place, it isn't the only roadmap to looking and feeling great. This focus led Dr. Tornambe to devise The Beauty Quotient Formula - a much more useful way to look at beauty. While physical traits do play a role in beauty, Dr. Tornambe shows us that what makes any woman truly attractive is based largely on confidence, charisma, personality, and a solid beauty routine - and that more often than not, going under the knife isn't necessary. The Beauty Quotient Formula begins with a detailed quiz that helps you

identify your strengths and weaknesses so you can work to enhance your intrinsic good qualities. Your answers to the quiz will point you toward specific parts of Dr. Tornambe's unique beauty regimen covering everything from firming your body, to improving your skin, to dealing with social anxiety, to perfecting your unique style.

Washington Irving's career as a writer began obscurely at age seventeen, when his brother's newspaper published his series of comic reports on the theater, theater-goers, fashions, balls, courtships, duels, and marriages of his contemporary New York, called *Letters of Jonathan Oldstyle, Gent.* Written in the persona of an elderly gentleman of the old school, these letters captured his fellow townsmen at play in their most incongruous attitudes of simple sophistication. Irving's next work, *Salmagundi*, written in collaboration with his brother William and James Kirke Paulding, and published at irregular intervals in 1805-06, continued this roguish style of satire and burlesque. A *History of New York*, publicized by an elaborate hoax in the local newspapers concerning the disappearance of the elderly "Diedrich Knickerbocker," turned out to be a wild and hilarious spoof that combined real New York history with political satire. Quickly reprinted in England, it was admired by Walter Scott and Charles Dickens (who carried his copy in his pocket). In later years, as Irving revised and re-revised his *History*, he softened his gibes at Thomas Jefferson, the Dutch, and the Yankees of New England; this Library of America volume presents the work in its original, exuberant, robust, and unexpurgated form, giving modern readers a chance to enjoy the version that brought him immediate international acclaim. The *Sketch Book* contains Irving's two best-loved stories, "Rip Van Winkle" and "The Legend of Sleepy Hollow." It also includes many sketches of English country and city life, as well as nostalgic portraits of vanishing traditions, like the old

celebrations of Christmas. A writer of great urbanity and poise, acutely sensitive to the nostalgia of a passing age, Washington Irving was a central figure in America's emergence on the international scene. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries. "Image Brokers is an in-depth ethnography that reveals the labor and infrastructure behind news images and how they are circulated. Zeynep Devrim Geursel presents an intimate look at the ways image brokers--the people who manage the distribution or restriction of images--construct and culturally mediate the images they circulate. Through this framework, news images become commodities that impact how politics and culture are visualized in the world. Set against the backdrop of the War on Terror and based on fieldwork conducted at the photojournalism industry's centers of power in New York and Paris, Image Brokers explores the transition from analog to digital technologies and shows how new digital and social mediaplatforms continue to change photojournalism and create ever-widening distribution networks. The book is a powerful investigation of the processes of decision-making amid the changing infrastructures of representation."--Provided by publisher. C. S. Lewis and the Art of Writing is written for readers interested in C. S. Lewis, the writing life, and in becoming better writers. Lewis stands as one of the most prolific and influential writers in modern history. His life in letters offers writers invaluable encouragement and instruction in the

writing craft. In Lewis, writers don't just learn how to write, they also learn something about how to live. This volume explores Lewis's life in, as well as his practice of, writing. From his avid reading life, to his adolescent dreams to be a great poet, through his creative failures, to his brilliant successes, to his constant encouragement of other writers, **C. S. Lewis and the Art of Writing** celebrates one of the twentieth-century's greatest authors. Blending expert advice with inspiring designs, **Sew What! Skirts** will delight both novice and veteran sewers alike. This spiral-bound book lays flat for easy reference and features full-color photographs of 16 sample skirts, with illustrated step-by-step instructions for completing each one. Encouraging you to experiment with bold patterns and unique fabrics, **Francesca DenHartog and Carole Ann Camp** provide simple guidelines for translating body measurements into panel dimensions. Create a custom-tailored wardrobe that fits perfectly and showcases your unique and personal style. In its 114th year, **Billboard** remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. **Billboard** publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends. In this chilling adventure, **Vampire Hunter D** has been dispatched to vanquish the ancient vampiric **Noble Count Braujou**, guardian of an ancient buried treasure. But when a mysterious object crashes into the earth, destroying half of the northern Frontier, **D** faces an even more terrifying opponent-the renegade vampire **Valcua**, the **Ultimate Noble!** Having been exiled to outer space, **Valcua** took his entire kingdom of strange and deadly creatures with him, and swore that when the time was right they would return to have their revenge. Unfortunately for **D**, that time is now In its 114th year, **Billboard** remains the world's premier

weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends. For many years I have wanted to commit some thoughts to paper and this is a random collection of ideas that have just poured out. Some are true; others are based on fact while the remainder are ideas that just came into my head. Many friends who read my stories have enjoyed them and encouraged me to publish them in a book form. So what you have here is a miscellany or as my Brother in Law described them a box of assorted assortments. I hope that readers will enjoy my deliberations and perhaps smile, recall a similar event in their past or maybe shed a tear. But most of all enjoy. An in-depth guide to each of the multiple approaches available for coding qualitative data. In total, 32 different approaches to coding are covered, ranging in complexity from beginner to advanced level and covering the full range of types of qualitative data from interview transcripts to field notes. “Shines a floodlight on a topic that has been cloaked in obscurity . . . a landmark work in both intellectual history and political theory” (The Wall Street Journal). Philosophical esotericism—the practice of communicating one’s unorthodox thoughts “between the lines”—was a common practice until the end of the eighteenth century. Despite its long and well-documented history, however, esotericism is often dismissed today as a rare occurrence. But by ignoring esotericism, we risk cutting ourselves off from a full understanding of Western philosophical thought. Walking readers through both an ancient (Plato) and a modern (Machiavelli) esoteric work, Arthur M. Melzer explains what esotericism is—and is not. It relies not on secret codes, but simply on a more intensive use of familiar rhetorical

techniques like metaphor, irony, and insinuation. Melzer explores the various motives that led thinkers in different times and places to engage in this strange practice, while also exploring the motives that lead more recent thinkers not only to dislike and avoid this practice but to deny its very existence. In the book's final section, "A Beginner's Guide to Esoteric Reading," Melzer turns to how we might once again cultivate the long-forgotten art of reading esoteric works. The first comprehensive, book-length study of the history and theoretical basis of philosophical esotericism, *Philosophy Between the Lines* is "a treasure-house of insight and learning. It is that rare thing: an eye-opening book . . . By making the world before Enlightenment appear as strange as it truly was, [Melzer] makes our world stranger than we think it is" (George Kateb, Professor of Politics, Emeritus, at Princeton University). "Brilliant, pellucid, and meticulously researched." —City Journal

This history examines the Conservative Party's ability to dominate British politics. It takes as its key themes the party's relationship with mass democracy and its willingness to adapt, often at the cost of considerable internal conflict and ideological change. As founder of the Peace Corps, Head Start, the Special Olympics (with wife Eunice Kennedy Shriver), and other organizations, Sargent Shriver was a key social and political figure whose influence continues to the present day. This authorized biography, exhaustively researched and finely rendered by Scott Stossel (deputy editor of *The Atlantic*), reads like an epic novel, with "Sarge" marching through the historical events of the last century—the Great Depression, World War II, JFK's assassination, the Cold War, and many more. Sarge gives us a complete account of Shriver's life, as well as a thoughtful commentary on the Kennedy family, the Peace Corps, and United States and world history. It is a riveting and comprehensive reconstruction of a life that exemplifies

what it means to be a true American. Kid, you'd better get home... your parents are going to be looking for you. Don't you know it's getting late and dark? Get home, kid! It was getting late, and I was shooting by the light of the moon, but I was forty years old, and my parents turned me loose many years ago. I may have looked like a kid who should be out getting ready for a trick-or-treat journey, but I was on a basketball mission -- and when I told the concerned visitors that I would be OK for the night, and that I was over forty, they were a bit shocked. In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends. Daniels' *Orchestral Music* is the gold standard reference for conductors, music programmers, librarians, and any other music professional researching an orchestral program. This sixth edition, celebrating the fiftieth anniversary of the original work, includes over 14,000 entries with a vast number of new listings and updates. This student text provides all the underpinning knowledge needed to pass the BTEC first diploma. It provides learning objectives to help the reader focus on what they need, up-to-date case studies and assessment activities to test the readers' knowledge and understanding. Between 1961 and 1971 James Baldwin spent extended periods of time in Turkey, where he worked on some of his most important books. In this first in-depth exploration of Baldwin's "Turkish decade," Magdalena J. Zaborowska reveals the significant role that Turkish locales, cultures, and friends played in Baldwin's life and thought. Turkey was a nurturing space for the author, who by 1961 had spent nearly ten years in France and Western Europe and failed to reestablish permanent residency in the United

States. Zaborowska demonstrates how Baldwin's Turkish sojourns enabled him to re-imagine himself as a black queer writer and to revise his views of American identity and U.S. race relations as the 1960s drew to a close. Following Baldwin's footsteps through Istanbul, Ankara, and Bodrum, Zaborowska presents many never published photographs, new information from Turkish archives, and original interviews with Turkish artists and intellectuals who knew Baldwin and collaborated with him on a play that he directed in 1969. She analyzes the effect of his experiences on his novel *Another Country* (1962) and on two volumes of his essays, *The Fire Next Time* (1963) and *No Name in the Street* (1972), and she explains how Baldwin's time in Turkey informed his ambivalent relationship to New York, his responses to the American South, and his decision to settle in southern France. *James Baldwin's Turkish Decade* expands the knowledge of Baldwin's role as a transnational African American intellectual, casts new light on his later works, and suggests ways of reassessing his earlier writing in relation to ideas of exile and migration. Includes an expanded "tips and Tools for Teaching Penguins to Fly" section with additional practical exercises, self-quizzes, resources, tips, and survival strategies for peacocks and penguins alike

Almost everyone has experienced the hurt and frustration of not feeling accepted, of being perceived as "different" and not fitting into the group. People who have good ideas that differ from conventional wisdom are often ignored or criticized for the very thing that makes them valuable to the organization—their creativity. Innovation often comes from the most unlikely places, and people in organizations need to break out of their "penguin suit thinking" to create a climate where new ideas can flourish. *A Peacock in the Land of Penguins* brings to life the challenges of birds of different feathers trying to work together through the engaging story of Perry

the Peacock and the other exotic birds who struggle to be themselves in the conformity-minded Land of Penguins. This delightful fable humorously and memorably illuminates the importance of understanding and embracing the full range of perspectives that people bring to bear on their work. In addition to books, the Manual now also treats journals and electronic publications. NEW YORK TIMES BESTSELLER • “The guardian of all style” (The New York Times Magazine) shares stories on life, love, style, and career, from Paris to New York, and inspires readers to cultivate an effortless chic that is all their own. Garance Doré, the voice and vision behind her eponymous blog, has captivated millions of readers worldwide with her fresh and appealing approach to style through storytelling. This gorgeously illustrated book takes readers on a unique narrative journey that blends Garance’s inimitable photography and illustrations with the candid, hard-won wisdom drawn from her life and her travels. Infused with her Left Bank sensibility, the eclecticism of her adopted city of New York, and the wild, passionate spirit of her native Corsica, Love Style Life is a backstage pass behind fashion’s frontlines, peppered with French-girl-next-door wit and advice on everything from mixing J.Crew with Chanel, to falling in love, to pursuing a life and career that is the perfect reflection of you. Praise for Garance Doré and Love Style Life “The most elegant, funny, truthful book on style, love and life. Garance is an original with the cutest French accent.”—Jenna Lyons, president and creative director, J.Crew “This charming book by fashion blogger Doré is part memoir and part style guide, gathered together in a chic, Gallic-inflected package.”—Publishers Weekly “One of blogdom’s most compelling storytellers.”—The New York Times “Doré’s mix of portrait photography, illustrations, collages, and stream-of-consciousness writing . . . has given the fashion world en masse a girl crush.”—Interview

“Garance Doré embodies effortless French style.”—Martha Stewart Living Presents a two-volume A to Z reference on English authors from the sixteenth, seventeenth and eighteenth centuries, providing information about major figures, key schools and genres, biographical information, author publications and some critical analyses. Victor Brombert is an unrivaled interpreter of French literature; and the writers he considers in this latest book are ones with whom he has a long acquaintance. These essays--eleven of them appearing in English for the first time and some totally new--give us an acute analysis of the major figures of the nineteenth century and a splendid lesson in criticism. Brombert shows how a text works--its structure and narrative devices, and the symbolic function of characters, episodes, words--and he highlights the distinctive postures and styles of each writer. He gives us a sense of the hidden inner text as well as the techniques writers have devised to lead their readers to the discovery of what is hidden. With wonderful subtlety he unravels the reader's participatory response, whether it be Hugo reading Shakespeare, Sartre reading Hugo, Stendhal reading Rousseau, T. S. Eliot misreading Baudelaire, or Baudelaire, Balzac, and Flaubert reading their own sensibilities. This book is a sterling example of the finest kind of literary criticism--wise, intelligent, responsive, sympathetic--that reveals central aspects of the creative process and returns the reader joyfully to the texts themselves. We travel back to the start of the Millennium with this digest spotlighting the best of the 2000s, beginning with a BRAND NEW STORY! In “Movie Melee,” Archie and the gang are spending the summer at his family’s rental lake house. They’re having a grand old time having fun in the sun, camping, and watching movies in the cabin at night, where Archie discovers the newest technology: “NETFILMS” a service where DVDs are delivered

to him several times a week! But when Archie keeps receiving mail from them once the summer ends, he's starting to wonder if something's glitchy about this new service! "This book chronicles the struggles and triumphs of African American athletes in the Modern Olympic Games, from 1896 through the 2020 Tokyo Games. It explores the lives and careers of both legendary and little-known Black Olympians as they sought to honor themselves, their race, and their nation on the world stage"--
